

The Seven of Diamonds Person

The Card of Spiritual Values

The Seven of Diamonds is one of those unique cards called a 'semi-fixed' card. As part of a special family of seven uniquely different cards, these people fall into a different category and have a special mark on their lives. They are very stubborn, but they are also extremely creative and some are destined to become millionaires in this life by accessing the high side of this spiritual money card. By suit, they are always connected with money. As a spiritual number, they must maintain a non-attached attitude about money or there will be continuous problems in this area. We find they are either worrying about it all the time or not worrying and having as much as they like. Regardless, many of their life lessons will come through this avenue.

The other avenue is their close relationships. Family, lovers and friends are all very important to the Seven of Diamonds person. They have close ties, for better or worse, with their family and share in their trials. They have a high, spiritual love nature that often entails making personal sacrifices for their family and other close relationships. There is little they wouldn't do on behalf of their parents or family. This is one of the most spiritual cards in the deck and as such, their success comes from approaching life in ways other than traditional or materialistic. The most successful among them are the ones that live in the faith that all their needs will always be provided.

They are usually restless, making frequent changes in either occupation or location. Their love life usually entails sacrifice and disappointment until they learn to let others go and be as they are. In their spiritual studies they find inner satisfaction and validation for their own intuition. Once on the spiritual path, everything in their life is put into proper perspective and they can excel in any chosen field.

Some of the Seven of Diamonds Issues Concerning Relationships

For such a spiritual card as the Seven of Diamonds, issues in relationships revolve around letting go of personal attachments and developing a more spiritual approach to love. They are, by nature, very loving people and are willing to make sacrifices on behalf of those they love. There are bound to have one or more karmic love involvements that challenge them to raise their level of love to more spiritual and responsible heights. Like other cards, they have high ideals associated with love and partnership. But these people are more or less destined to have these ideals tested every step along the way. Their stubbornness and independence attracts powerful relationships into their life, ones that teach them important lessons.

Most Seven of Diamonds females are attracted to, and often marry men of the Heart suit. They also hold some fantasies about Diamond men.
